Profile

Tayson Rockefeller is the owner of Teton Valley Realty, DBA Teton Valley Real Estate Inc., and a partner at Teton Valley Property Management, Inc. with decades of real estate, management, and construction experience. Licensed in both Idaho and Wyoming, he is a member of the National Association of Realtors, Teton Board of Realtors, Greater Idaho Falls Association of Realtors, and the Idaho and Wyoming Association of Realtors.

Through his work as an owner, designated broker, and property manager he oversees three associate brokers, six salespersons, and seven employees. He has extensive knowledge and experience in business development from forming local businesses and homeowners associations for corporate, limited liability, and non-profit corporations. He is also skilled in land development, HOA and CC&R creation, and has both construction knowledge and owner-contractor experience.

Beyond real estate and construction, Tayson is also educated in graphic design and web development and has experience with Adobe Suite, Microsoft Office, Wordpress, Umbraco and RETS/RESO IDX, and search engine optimization.

Experience
